

School Counselor's Corner

Welcome Back Leopards!

September is exciting time for students and teachers as we adjust to new faces, classroom routines, and experience learning as a community!

Things to Remember About Your Child's School Counselor

- ◆ Counseling services are available to all students
- ◆ Parents and teachers can request assistance at any time
- ◆ The counselor is available to help you with any concerns you may have about your child

Welcome Mr. Pedersen!

Mr. Pedersen who currently teaches at South Hunterdon, will be joining LPS this year as a school counselor intern. Mr. Pedersen will assist and be a part of all aspects of the school counselor's role.

Meet your Peer Mediators!

Peer Mediators serve in two important ways at LPS. Peer Mediators are 6th grade role models who are specially trained in conflict resolution and problem-solving techniques. They use their training to help younger students resolve conflicts peacefully. Peer mediators also help implement Leading Leopards (LPS's character education program).

Leading Leopards Character Education Program

Students and teachers in all grade levels come together once a month to meet, discuss and practice good character as a school community. Our character values become the focus of our school climate.

Mindfulness at LPS

This year staff and students will be practicing mindfulness activities to continue to cultivate a positive, peaceful productive classroom climate. Mindfulness activities also help strengthen and develop self-regulation, impulse-control and focus. Students will find that they can utilize mindfulness throughout their lifetime!
