

# Grades 4, 5, and 6 Instrumental Lessons and Band

September 2017

Dear Parents,

I am excited to inform you that this year your child will have the opportunity to join our instrumental program! On Friday, September 15th, the students were given a demonstration on all of the band instruments that are offered at the elementary level. The students may then choose an instrument and begin receiving lessons.

All instrumental lessons are held during school hours and we do our best to not interfere with core academic subjects. Lessons will be held once a week for the entire school year, culminating in a spring concert.

Sincerely,

Timothy Angst
