Dear Parents/Guardians,

Having the opportunity to meet your child's teacher and to learn about the curricula that your child will be studying is important as it opens the lines of communication between home and school and allows you to foster your child's learning outside of the school day. **Back to School Night** is an event scheduled in order to meet those needs.

If you have specific questions regarding your child, please contact the teacher outside of the Back to School Night evening as this night is meant to focus on curricular and grade level programs. Parent/Teacher conferences will be held early in November to address each child individually. Back to School Night is scheduled for all students in **grades preK-6 on Wednesday, September 13, 2017 at 7:00 p.m.** and will begin in the All Purpose Room. We hope that you will join us to follow the schedule included with this letter.

We look forward to continuing our home/school partnership to best meet the needs of your child. Thank you for participating in this exciting and worthwhile evening.

Sincerely,

Wanda Quiñones  
Principal
