

Hunterdon County Safe Routes to School

End of the School Year Walk: June 11, 2018 “Stepping into Summer Safety”

Dear Parent/Caregiver,

Lambertville Public School is proud to participate in the “**Hunterdon County Safe Routes to School Program**”, which encourages and educates our students on walking to school safely. Hunterdon County Walk to School Week provides opportunities to reinforce the goals of the program- *“Where it is safe, get kids walking and bicycling; where it is not safe, make it safe.”*

On Monday, **June 11, 2018**, Lambertville Public School will participate in our End of the School Year Walk. Our final themed walk centers on remembering all of our outstanding walks throughout the school year, making sure that we are using crosswalks and looking before we cross the road when navigating around your town this summer. All students who walk to school on Monday will receive a collectible flip-flip keychain!

**Live too far from the school to walk...Consider dropping off your student at a closer location and walk the rest of the way!*

As always, here are a few tips to reinforce while walking/rolling to school:

- **Cross only at crosswalks.**
- **Look LEFT, RIGHT, and LEFT again before crossing.**
- **Make eye contact with drivers to be sure that they see you.**
