TECHNOLOGY RECREATION CAMPS FOR KIDS!

TECHNOLOGY RECREATION CAMP FOR KIDS!

Location: EAST AMWELL SCHOOL Aug. 20th—24th 2018 EARLY REGISTRATION

LIMITED SPACE — SIGN UP EARLY!

T-Recs is an exhilarating and exciting educational science & technology camp for girls and boys entering grades 3 - 8. This one-week camp of action packed learning activities brings together the world of science & technology to your child in a way that makes learning fun! The camp consists of a mixture of instruction, creative activities, fun time, and outdoor recreation. All campers participate in all activities suited for their age and ability. All teams are guided by NJ/PA certified teachers. Camp fee includes all materials, supplies, morning/afternoon snacks, and activities below.

7th & 8th graders need not join the Explorer Series—but can if they want to!

T-Recs runs Monday through Friday, 9:00AM - 3:00PM, with early drop-off option at 8:00AM.

Science & Technology Modules

ACTIVITIES

All 3rd-6th grade campers get to "make and take" rockets, CO2 cars, Pintograph, and more. Explorers can elect to do an additional project along with the makeangelo.

SPACE & BEYOND:

Campers design and launch high flying solid fuel rockets that soar! They see them hit the clouds and parachute back to earth! Always good for a cheer or two!

RINGOES 500!:

Encounter the thrill of victory. Campers race self-designed & constructed high speed miniature dragsters in head-to-head competition. Always a show stopper.

PINTOGRAPH: Campers get to design and manufacture their own drawing machine. Were working out the details to make this constructible by campers of all ages. Want a sneak peak? Google search "pintograph" Great activity for all ages.

ONE MORE THING: We always try to round out the campers experience, so we're looking forward to adding another fun-filled learning activity that is still being developed. It's still early and were creating projects for camp. Stay tuned!
Visit T-Recs.com as camp gets closer for details.

7TH & 8TH GRADE T-RECS EXPLORER SERIES—MAKEANGELO: A computer controlled drawing machine that draws images taken with a phone! T-Recs's own version of this project combines science and art into an amazing drawing machine. Want a sneak peek—Google "makeangelo" and SquiggleDraw" These are take home projects. Limited to 10 Campers

Got Questions? Please feel free to call.

7th & 8th Graders not interested in the Explorer's Series can enroll in the regular camp.

Registration fee includes (Excluding Explorer's) all materials, supplies, snacks, and water-refills. Lunch is not included.
