Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, we teach children to read. They learn letter recognition, beginning phonics, and easy sight words. Children learn to read simple words and short sentences and are excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, we teach children to read independently. They learn phonics and sight words, build fluency and comprehension, and develop a love of books and reading. Children are excited about reading and get a head start in first grade.

Program for Entering 2nd Graders

In this fun summer program, we teach children to become fluent, confident readers. They build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Children are excited about books and reading and get a head start in second grade.

Program for Entering 3rd Graders

Program for Entering 4th Graders

Program for Entering 5th Graders

In these fun and effective summer programs, we teach children to become skilled, enthusiastic readers. They develop strong comprehension skills in both fiction and non-fiction and learn how to read and study textbooks. Children gain confidence and develop a lifelong love of books and reading.

Program for Entering 6th-8th Graders

Program for Entering 9th-11th Graders

In these effective and enjoyable summer programs, we teach children to improve comprehension in both fiction and non-fiction and learn to read faster. Our average student doubles reading speed while learning the best way to read and study textbooks and take notes. Students who learn these skills can complete homework more quickly and easily and enjoy reading more.

Program for Adults, Entering 12th Graders, and College Students

Our average student doubles reading speed in difficult material and reads even faster in easier material while learning how to improve comprehension, concentration, and retention. These skills can save time and help you get more out of everything you read.
