## Registration for South County Soccer is now open - SPRING 2017 Soccer

We are pleased to announce that registration is now open for Rec and travel soccer on our new website – [www.southcountysoccer.org](http://www.southcountysoccer.org). South County offers a soccer program for children aged 4 years to 18 years.

Recreation teams practice twice a week, including once with professional trainers and games for the older children on Sundays. Our trainers and coaches work with the children to develop a love for the game while developing their skills - all while ensuring the children are having fun. **All are welcome!**

Registration for **Rec will be open until March 24<sup>th</sup>**. If you have any questions, please email [questions@southcountysoccer.org](mailto:questions@southcountysoccer.org)

### **Our program offers:**

- You may now pay your fees via installments! There is an initial deposit and the balance of the fee (including your volunteer bond) is made in two additional equal payments over the next two months.
- We continue to offer family discounts in our rec program.
- Our program offers quality, professional trainers while maintaining one of the lowest fees for both Rec and Travel Soccer programs.

**Our league is run by volunteers. Please consider helping out – it all benefits our children and you get to meet your neighbors!**

During registration for spring soccer, there will be a drop down for parents to select the job in which you are interested. If you change your mind or would like to volunteer for another area later on, please email [volunteer@southcountysoccer.org](mailto:volunteer@southcountysoccer.org) and place the job you are interested in the SUBJECT Line.
