

Good Afternoon,

Recognizing that the 2017-2018 school year will be Stockton Borough School's final year operating as an elementary school, we are in the process of forming a committee to plan activities throughout the year that will allow us to celebrate all that the school has offered educationally to its students as well as the contributions it has made to the Stockton community! If you are interested in being a member of this committee, please reach out to Geoff Hewitt, Stockton Borough School Principal, at geoff.hewitt@shrsd.org by Friday, June 23, 2017. Also, if you know of any community members or alumni who may be interested in being a part of this year of celebration, please forward this invitation to them as well.

Thank you!
