2ND GRADE LEARN TO SWIM FREE PROGRAM

HUNTERDON COUNTY YMCA

Drowning is the second leading cause of accidental death for children under 14. To help eliminate drowning accidents, the Y is offering a 2nd Grade Learn to Swim Program at the Deer Path Branch Pool, Flemington, free of charge.

“Research shows that if a child doesn’t learn to swim by third grade, chances are he or she never will. The Y is committed to wiping out childhood drowning. Through this program, all kids can learn these important safety skills,”
- Flora Mannino, Aquatics Director

This program is open to any Hunterdon County 2nd Grader who is a non-swimmer or beginner level swimmer.

Classes run October 31- December 18. Register at the Deer Path or Round Valley Branch or www.hcymca.org. Proof of grade required.

Through contributions, the Y can offer this life-saving program to all families at no cost.
