

Do You Want to be a PTA Room Parent?

As a room parent, you not only get a window into your child's daily world at school, but you also have the opportunity to be a great role model and an invaluable part of your child's education.

Every year the PTA coordinates the Classroom PTA representatives (Room Parents). Each class will have two or three representatives who will work together as the critical liaisons between the PTA, the teacher, and fellow parents. Please note that you do not have to attend all events, so this is a great position for a parent who cannot be available during the school day!

Responsibilities vary from collecting money and classroom supplies, to recruiting parent volunteers and coordinating classroom parties. Classroom PTA representatives build a relationship with teachers, connect with their children, and build lifelong relationships with other families.

If you are interested in the role of Classroom PTA Representative, please complete the form below and return the lower portion to school with your child by **Tuesday, October 1**. Representatives will be selected, at random, from those who have completed this form and will be announced at the **Wednesday, October 16th** PTA meeting.

There is an expected commitment from Room Parents outlined in the Room Parent Guide, available at the October 16th meeting and on the PTA webpage. Please feel free to contact me for more information about being a room parent. I'll be glad to answer any questions you may have. Thank you!
